College Station Utilities

Reliable, Affordable, Community Owned

Protect your home when away! Tips from the C.S. Police Department!

Ask a neighbor to keep an eye on your residence - pick up the paper and mail, maybe park a car in your driveway. Encourage them to call the police if they observe anything suspicious.

Put lights throughout the house on a timer consistent with your normal at-home schedule.

Make sure your doors and windows are securely locked before you leave. A surprising number of burglars enter through unlocked doors and windows.

For more information on home safety call the College Station Police Department at 764-3600.

Buying a Home? Down payment Assistance Is Available!

College Station Community Development offers a **Down Payment Assistance Program** to help eligible low- and moderate-income homebuyers who intend to purchase a home within the city limits of College Station.

For detailed information, call 764-3810.
